Equinox 3500kg / 4500kg

Please note some images may show optional extras not included as part of the base specification.

Equi-Trek Equinox

The Equinox is a compact, easy to drive horsebox, with a gross maximum weight of 3500kg, meaning it can be driven by anyone with a standard car licence.

It is also available with a gross maximum weight of 4500kg, for the owner who requires a greater payload.

The Equinox is powered by a powerful HDI diesel engine which complies with the latest Euro 6 standards and gives effortless performance and outstanding economy.

The Equinox has the added benefit of a separate living area, which can sleep up to two people. Including a kitchen area with a combination gas hob and sink and cupboard space.
